Acai is an exotic fruit originating from the Amazonian rain forests, which is outstandingly rich in antioxidants, while it also contains vitamins B1, B2, C and E, niacin, iron, potassium, phosphor, calcium and various amino-acids. It has high fibre content but it contains relatively little sugar. Aborigines used the fruit to treat various problems such as: skin conditions, menstrual pain, digestive problems but also for diabetes, heart diseases and different types of cancer. Our product of organic certification originates from controlled organic farms.

To Whom?
